## HOW WE DESIGN MATTERS

We don't just design furniture we design a user experience. The aim of both our product and layout designs is to unlock potential. Our in-house design team stay abreast with international design standards, and can offer guidance and create layouts that maximise the use of space.

We offer complimentary space planning services to help you take full advantage of the structural and environmental elements to create a great employee experience.

## HOW WE CREATE MATTERS

Proudly South African with over 30 years of experience in manufacturing office furniture. We promise

High-quality products backed up by our 5-year manufacturing guarantee as well as a minimum of 90% local (SA) content on our main ranges.

Meticulous planning guarantees on-time deliveries, with a lead time of just 10 working days in Gauteng and 15 working days in all other areas.

## HOW YOU WORK MATTERS

We believe that the world needs innovative entrepreneurs and successful small businesses; and that intentionally designed offices spaces and a vibrant office culture play a big role in their success.

By investing in the right office furniture and creating a considered layout, leaders can take full advantage of their office space, effectively increasing productivity, lowering sick days and ultimately providing a return on investment that allows any business to prosper
