FOLDING TABLE

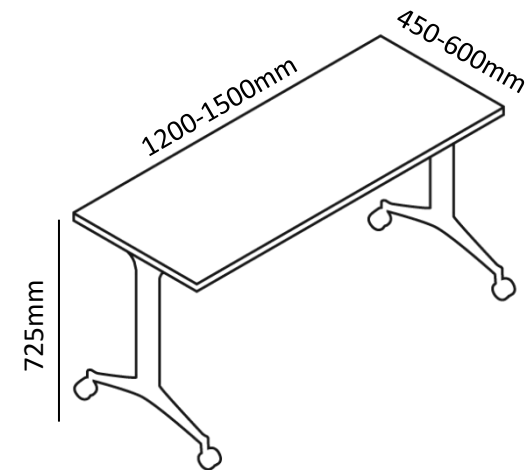

Smart Mobile Folding Table

Dynamic. Space-saving. Superbly designed. Desk-sharing, flexible teamwork and short-term integration of freelancers into project groups have become an integral part of our daily work routine. That means it is high time for this to be reflected in the working environment too. The Smart Mobile Folding table provides you with optimal conditions for free personal development. Thanks to the folding tables, versatile usage of well-designed conference and meeting areas is child's play. Only one single person is required to set up and rearrange the mobile folding tables – without any tools, releasing or unlocking procedures or special skills involved.

Features:

- Silver Powder Coated Steel Frame
- Frame on 2 x Standard Castors & 2 x Brake Castors
- 16mm top available in various colours
- Various top sizes available
- 1 Year Warranty

FOLDING TABLE SPECIFICATIONS

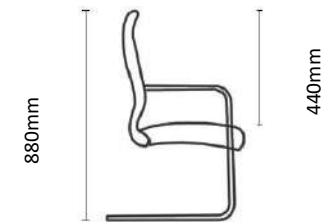

Training Redefined

The comfortable VITO is a mobile, compact work space chair for any training environment. The Vito consists of a chair, personal work surface, storage area, cup holder and much more to keep students alert and comfortable. Vito's personal work surface swivels in tandem with the seat and is adjustable for students of all sizes. It works for both left and right-handed students and is large enough to support both digital and analog devices. Feel free to change your training, study, tutoring or group work space. Vito is designed for quick, easy transitions between room configurations.

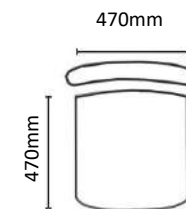

Features:

- Mobile chair/desk combo
- Easy to clean polypropylene writing tablet
- Personal work surface with 360 degree rotating writing tablet and water bottle holder
- Swivels in tandem with seat and accommodates left and right-handed individuals.
- 3 Year Warranty
